Details

Disability Network Northern Michigan is excited to share a weekly social group celebrating accessible board games and video games. October's featured games will include Halo, Munchkin and Ticket to Ride. Please feel free to stop in for as long as you wish and you are welcome to bring your favorite board game or gaming system to share with the group.

This event is free and open to all. Please register in advance at intern@disabilitynetwork.net and let us know if you need any accommodations to participate or if you would like to participate from your home.

Based in Traverse City, Disability Network Northern Michigan is a non-profit organization committed to serving people with disabilities, their families and the northern lower Michigan community since 2002. We provide information, assistance and support to people of all ages with a wide variety of disabilities to live fully engaged in inclusive communities. We also work on a larger scale helping governments, businesses and organizations make changes that improve life for everyone in the community.

Changing Lives. Changing Perceptions. Changing Communities.
