

Family Information for School and Child Care

If you need assistance finding food, paying housing bills, or other essential services, go to 211.org or dial 211 to speak with a community resource specialist in your area who will help with:

- food and nutrition programs
- shelter, housing and utilities assistance
- employment and education
- health care, vaccination and health epidemic information
- support groups for individuals with mental illnesses or special needs
- a safe, confidential path out of physical and/or emotional domestic abuse
- emergency information/disaster relief
- services for veterans
- addiction prevention and rehabilitation programs

Community Connections is a FREE program offering connections to community resources for adults, children and families. Community Health Workers in your local health department will help you access community resources. Please call:

2020census.gov

We need your help! You may have received a mailing to complete the census for your family. Even if you haven't received it, please go to: 2020census.gov and submit your family information for the census. When everyone is counted, our communities get the funding they need for things like health care, education, emergency services and more!
